### 2. Alignment of KVUSA lessons to Hawaii DOE standards (HCPS III).

3. **NEW!** 5-lesson module on voting developed by It's All About Kids. Go to [Interactive Lessons on Voting](#).

5-Lesson Module

**It's All About Kids** has partnered with Kids Voting Hawaii to create an engaging curriculum on voting for Hawaii's students. Understanding the availability of technology resources in the classroom, the curriculum can be downloaded as an ActivInspire Flipchart, Powerpoint Presentation, or a PDF document.

### GET STARTED

1. Download the **directions** to install a free \*ActivInspire Personal Edition 60-day trial version ([Windows](#) / [Mac](#)).
2. Download the ActivInspire **software** [Windows](#) / [Mac](#)) and follow the directions above. Keep in mind that you don't need an interactive whiteboard (e.g. Promethean or SMART Board) to use the software. Here are some ways that you can still use it:
  - Projecting on a Wall
  - Projecting on a Dry Erase White Board
  - Using a Smart Board or other interactive whiteboard
3. Watch the **video overview**, download the appropriate **curriculum version**, and easily modify the content for use with your students today! QuickTime is required to view the video. An installation link is available here -> [QuickTime](#)

Follow the instructions and download the links appropriate to your level (Elementary or Secondary).
